Dear Parent(s)/Guardian(s) and students,

We are preparing for Complementary Course Selection for Semester 2, which begins on **Wednesday, January 28, 2026**.

Students in **Grades 7, 8, and 9** will be able to make their Complementary Course selections for Semester 2 from **Friday, December 5th at 6:00 PM** until **Friday, December 12th at 6:00 PM**.

All Complementary Course descriptions, fee schedules, and the Homeroom Selection Forms can be accessed on our website at: <https://nickle.cbe.ab.ca/cts>

The screenshot shows the Nickle School website. The header includes the school logo and navigation links: About Us, Teaching & Learning, Culture & Environment, Get Involved, and Registration. Below this is a green banner for 'Career & Technology'. The main content area is titled 'Foundations | Grades 6-9' and describes the Career and Technology Foundations (CTF) program. It mentions that students plan, create, appraise, and communicate to explore interests and passions. A sidebar on the right titled 'Related Information' lists links for 'Complementary Options Form - Select by Homeroom' and 'Complementary Course Semester 2 & Fee Schedule'. There is also a small image of a student working at a desk.

Please note:

- **Band is a full-year course**; therefore, students enrolled in Band may select **only 3 option courses**.
- Rank their preferred courses from **1 to 8**. 1 being your first choice.
- While we will do our best to place students in their top four choices, they should be prepared to take any of the eight courses offered, depending on availability.

The form will be available on the school website under Teaching & Learning > Complementary Subjects > Career and Technology > Related Information, and click on the links shown in red in the picture on page 1.

Please be aware that the form can be submitted only once per child using their Google account. You will not be able to return to the form to make changes after submitting, so please ensure the entire form is completed at that time.

Thank you for your continued support as we work to provide your child with increased choice and meaningful learning opportunities.

Sincerely,

The Complementary Team  
Ms. Clark, Principal  
Ms. Craig, Assistant Principal
