Commitment to Truth and Reconciliation

Mind – To Know

In recognition of National Day for Truth and Reconciliation,
and in alignment with the CBE Education Plan,

NICKLE SCHOOL

acknowledges and supports the Truth and Reconciliation Commission
of Canada's (TRC) Calls to Action, and makes the following
commitment to action for the 2026-2027 school year:

*Students will learn about the significance of the land where they learn
through classroom learning and land-based experiences. Students will
deepen their understanding of why we acknowledge the land, have
opportunities to create their own land acknowledgement and explore
how respect, responsibility, and reconciliation can be reflected in their
learning and daily actions.*
