Welcome to the Nickle School Class Registration System for 2026-2027

Nickle School Complementary Selection Process

This form will be used to place students into complementary courses for the 2026-27 school year. Each student and parent/guardian must select 4 preferred complementary courses. It is our hope that students will be enrolled into these 4 if not, then we will enroll them in either their 5th or 6th choices which have been selected in the Additional Requests section. Fees may be associated with some courses. Instrumental Music (Band) is a full year program. Please scroll through the choices before beginning your selections. Please be aware that course availability will be subject to minimum enrollment numbers, student interest, and school resources. Additionally, our schedule is created based on these requests, please be thoughtful when choosing complimentary courses as there will be no availability to change courses next year. If you have any questions regarding the complementary course selection process, please email : nickle@cbe.ab.ca or phone us at 403-777-7720.

Welcome to the Nickle School Class Registration System for 2026-2027

Nickle School Complementary Selection Process

This form will be used to place you in your top 4 complementary courses. It is our hope that students will be enrolled into these 4 if not all. Fees may be associated with some courses. Please be aware that course availability is subject to change when choosing complimentary courses. If you have any questions regarding this process, please contact your school.

Please choose your TOP 4 option choices.

Course Name	Number	Course Description	Credits	Prerequisite Note	Alerts
Art 7	ART7	Art 7 introduces students to foundational drawing skills through line, value, and shading. Using graphite, charcoal, and ink, students practice contour drawing, value scales, and still-life shading to create depth and realism, building confidence and technical skills for future art learning.	0		🚩
Band (Instrumental Music) 7	INMUS7	Join the band and experience the thrill of making music together! Whether you're picking up an instrument for the first time or honing your skills, this full-year course will help you develop technique, musicality, and teamwork. You'll play a variety of pieces, learn the fundamentals of reading music, and have opportunities to perform throughout the year. The school will help organize the...	0		🚩

Additional Complementary Courses - Pick 2

Physical Education (Phys Ed) is a mandatory course for all students and runs for the full school year. This course does not count as an option choice.

Complementary Course Selection

Welcome to the Nickle School Class Registration System for 2026-2027

Nickle School Complementary Selection Process

This form will be used to place students in complementary courses. It is our hope that students will be enrolled into these 4 if possible. Fees may be associated with some courses. Please be aware that course availability is subject to change when choosing complimentary courses. If you have any questions regarding this process, please contact your school.

Course Name	Code	Credits	Description	Request Status
Environmental and Outdoor Education 7	ENVOTE D7	0	This is an active hands-on course where students will get a chance to investigate different outdoor activities. Students will also investigate the Alberta environment and their relationship to it. This course will emphasize risk assessment and decision making, both as an individual and as part of a group. We will endeavor to include off-site trips to complement this learning, and we will be taking our learning outside in all weather conditions.	Selected
